

OLIVER SCHOLARS

STEM INSTRUCTOR

MISSION STATEMENT: Oliver Scholars prepares high-achieving Black and Latinx students from underserved New York City communities for success at top independent schools and prestigious colleges. We provide crucial support for our Scholars so they can realize their full potential and ultimately give back to the city, the nation, and the world.

JOB TITLE: STEM Instructor
REPORT TO: Director of Academic Affairs
DEPARTMENT: Admissions & Placement and Scholar Services
POSITION TYPE: Seasonal — Summer
FLSA: Exempt

SUMMARY: Oliver Scholars seeks a STEM instructor to plan and implement an online classroom curriculum for tenth grade students. The instructor's primary objective is to prepare students to academically succeed at rigorous independent schools. Students should gain improved competency, skill, and habits of mind to excel. The instructor will assist the Admissions & Placement and Scholar Services departments to outline expected curricular outcomes and track student progress. This position reports to the Director of Academic Affairs and is an excellent opportunity to experience various aspects of scholarship and youth development with an educational nonprofit organization.

RESPONSIBILITIES

- Use the Oliver Scholars course description and pedagogical summary to design a high school STEM course — including syllabus, lesson plans, assignments, labs, readings, and tests/quizzes.
- The course aims to deepen understanding of foundational concepts in Biology, Chemistry, Engineering, and Physics through a project-based and journal club approach. Each week the teacher will assign one research article in the given topic, along with guiding questions which will structure in-class group activities including presentations, virtual labs and a final project. Students will develop an understanding of inductive reasoning and causal inference, explore scientific principles in application to technology, experiment to confirm conclusions, gain proficiency interpreting professional science writing, and make connections between science disciplines.
- Write detailed Interim and Final Evaluation Reports
- Collaborate with Counselors to support students
- Attend a paid instructor orientation
- Attend weekly faculty meetings and end of semester meetings
- Participate in parent-teacher conferences

QUALIFICATIONS

- A BA/BS degree from an accredited college or university; advanced degree preferred
- Two or more years of teaching experience required at the middle school or high school level
- Two or more years of experience designing curriculum
- Knowledge of independent schools preferred
